Data Science Notes

Bhavjot Khurana

November 5, 2025

Contents

1 Introduction

Write your introduction here.

2 Topic 1: Basics of Data Science

2.1 Definition

Write the definition here.

2.2 Applications

List some applications here.

3 Topic 2: Statistics and Probability

3.1 Key Concepts

Write key concepts here.

3.2 Examples

Add examples here.

4 Topic 3: Machine Learning

4.1 Supervised Learning

Explain supervised learning here.

4.2 Unsupervised Learning

Explain unsupervised learning here.

5 Conclusion

Summarize your notes here.
